

About The Society

The San Diego County Optometric Society (SDCOS) has over 230 members making it the second largest society in the state. Each of our Continuing Education (CE) meetings draws between 80-100 attendees. This number continues to increase as our membership grows

Sponsorship not only supports the operations & charitable and educational mission of the SDCOS, but also gives your company an opportunity to have a direct impact on eye care professionals in San Diego County. Increased marketing exposure, brand recognition and networking events are just a few of the advantages.

SDCOS Corporate Sponsorship Program

2019

America's Finest Optometric Society

Started in 1992, the SDCOS sponsorship program has been successful because of the generosity of our sponsors and the support of our members.

Three 5-hour CE meetings and six 2-hour CE meetings make for a total of nine occasions in 2019 to interact with local optometric providers.

The San Diego County Optometric Society has assembled three exciting sponsorship packages that are valuable opportunities for every corporation. Please contact our Administrative Director, Nancy-Jo Sinkiewicz, for information about these sponsorship opportunities for 2019 with the SDCOS.

We appreciate your continued support and feedback & look forward to partnering with you in the future.

EVENT SPONSORSHIP

1. Invitation to display your company's products/ information in our 5-Hour CE conference exhibitor's area
2. Acknowledgement as an Event sponsor in the meeting announcement E-blast and Newsletter the month of the CE. (Participation must be confirmed 1 month prior to the event).
3. Signage at the CE event.

Single Event Cost (2019): \$785

The San Diego County Optometric Society has been recognized as "Society of the Year" from 1994-1999, in 2002, 2003, 2007, 2011, and 2014 by the California Optometric Association.
